Înainte de a monta plăcile, vă sugerăm să selectați din mai multe cutii, să amestecați plăcile (inclusiv prin rotirea lor cu 180°) și să le aranjați așa cum este ilustrat în fotografia de inspirație sau să consultați site-ul www.cesarom.ro.

Before laying the tiles, we suggest you select from several cartons and arrange them as illustrated in the inspiration photo documentation in RAKO catalogues or website www.cesarom.ro. There are two recommended laying patterns to choose from: one is a strictly one-way oriented design, and the other resembles a chessboard look achieved through a regular 90° turn tiling pattern.
