Înainte de a monta plăcile, vă sugerăm să selectați din mai multe cutii, să amestecați plăcile (inclusiv prin rotirea lor cu 180°) și să le aranjați așa cum este ilustrat în fotografia de inspirație sau să consultați site-ul [www.cesarom.ro](http://www.cesarom.ro).

Before laying the tiles, we suggest you select from several cartons and arrange them as illustrated in the inspiration photo documentation in RAKO catalogues or website [www.cesarom.ro](http://www.cesarom.ro).

There are two recommended laying patterns to choose from: one is a strictly one-way oriented design, and the other resembles a chessboard look achieved through a regular 90° turn tiling pattern.
