

A unique collection of twelve brand new colors in wide range of formats in both wall and floor tiles. Neutral and uniform soft granite design offers never-ending possibilities within Compila series, or by combining with other RAKO series, to transform any public or residential space.

It can be as original as you are!

„The ultimate compilation of colors, formats and decorations.“

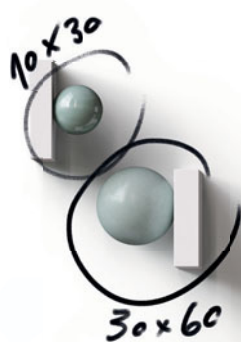

O colecție unică de douăsprezece culori noi, într-o gamă largă de formate de faianță și gresie. Designul uniform de granit fin oferă posibilități nelimitate în colecția Compila și prin combinarea cu alte colecții, pentru amenajarea oricărui spațiu public sau rezidențial. Poate fi la fel de original ca tine!

„Compilația completă a culorilor,
formatelor și decorațiunilor.”

The art of compilations

Compilații care te inspiră

Colecția Compila este concepută pentru a satisface atât cerințele estetice, cât și cele tehnice.

Paginile următoare prezintă compoziții individuale ale produselor, ilustrând combinațiile posibile ale diferitelor elemente din colecția Compila, precum și alte produse din gama RAKO.

Definită prin versatilitatea, originalitatea și creativitatea sa, colecția prezintă o gamă diversă de culori, formate și suprafețe. De la luciu intens la mat complet, fiecare produs este prezentat cu un tip specific de suprafață, clarificat prin modele sferice pentru o vizualizare mai bună.

Imaginile orientate vertical afișează elemente concepute pentru pereți, în timp ce imaginile poziționate orizontal reprezintă produsele de gresie pentru pardoseală. Aceste vizualizări oferă o înțelegere clară a aspectului final care poate fi obținut odată ce produsele selectate sunt instalate într-un spațiu.

Cu toate că am pregătit nouă compilări diferite, evidențiind produsele RAKO, colecția Compila deschide ușile spre o varietate infinită de posibilități, permițându-vă să vă exprimați creativitatea și să proiectați un spațiu care să reflecte stilul dumneavoastră unic. Alegerea este în mâinile dumneavoastră...

Compilation for Your Inspiration...

The Compila series is designed to meet both aesthetics and technical requirements.

The following pages showcase individual product compositions, illustrating the possible combinations of different elements from the Compila series as well as other products within the RAKO range.

Defined by its versatility, originality and creativity, the series presents a diverse range of colors, formats, and surfaces. From high gloss to full matt, each product is presented with a specific surface type, clarified through sphere models for better visualization.

The vertically oriented shelf displays elements designed for walls, while the horizontally positioned partitions represent floor tile products. These visualizations provide a clear understanding of the final look that can be achieved once the selected products are installed in a space.

While we have prepared nine different compilations featuring RAKO products, the Compila series opens the door to limitless possibilities, allowing you to release your creativity and design a space that reflects your unique style. It's up to you.....
